Selective Service Verification Form

Form: **SELSER22**

To be eligible for state student aid (such as HOPE Grant/Scholarship), male citizens and male immigrants residing in the U.S. aged 18 through 25 are required to register with the Selective Service System, with limited exceptions. The Selective Service System and the registration requirement applies to any person assigned the sex of male at birth (see www.sss.gov/Registration-Info/Who-Registration). The Selective Service System and the registration requirement for males preserves America's ability to provide resources in an emergency to the U.S. Armed Forces.

The Selective Service reported that you have not registered with them. If you are a female or were born before 1960, registration is not required. Otherwise, if you have not yet registered, are male, and are 18 through 25 years of age, we cannot award you state financial aid until we have proof that you are exempt or you provide confirmation that you are registered with the Selective Service.

Please choose the appropriate Selective Service Status below:

I have Registered with the Selective Service System.

My Registration Number is # _____

Print a copy of your Selective Service card from www.sss.gov and attach it to this form for verification.

- I am a Female, and therefore am not required to register.
- I am in the Armed Services on Active Duty. (Note: Members of the Reserves and National Guard are not considered on active duty.)
- I have not reached my 18th Birthday. Males who turn 18 during the award year must register before they will be eligible for aid their next semester of attendance.
- I was born before 1960.
- I am a citizen of the Federated States of Micronesia, or the Marshall Islands, or a permanent resident of the Trust Territory of the Pacific Islands (Palau).
- I have not registered with the Selective Service for a reason not listed above.
