Education with Purpose

WHY FUNERAL SERVICE EDUCATION

Dealing with death can be traumatic, but it is a part of life that everyone will invariably face. Assisting families who are coping with the death of a loved one can be challenging, but at the same time, it can be one of the most rewarding experiences you will ever have. If you are a **HIGHLY MOTIVATED**, **SERVICE ORIENTED**, and **EMPATHETIC** individual who finds it gratifying to help others in a time of loss, funeral service might be for you. Whether as your first career, or as a second career option, there is a great need for professionals to be the next generation of death-care providers.
