

OGEECHEE TECHNICAL COLLEGE SONOGRAPHY & ECHOCARDIOGRAPHY

WHY SONOGRAPHY?

The Sonography program at Ogeechee Tech is a competitive, highly structured program that equips students with the skills they need to achieve educational and career goals in the field of sonography. Sonographers use specialized equipment to **CREATE AND INTERPRET IMAGES** from inside the human body that are used by physicians to make a medical diagnosis. Sonographers are a **KEY MEMBER OF A HEALTHCARE TEAM** and provide one on one care to a variety of people ranging from healthy to critically ill. According to the U.S. Bureau of Labor Statistics, the field of diagnostic medical sonography is projected to experience job growth of **13 percent** from 2024 to 2034. If you are looking for a patient-focused, satisfying, and challenging career in a constant learning environment, sonography may be the field for you.
